

Our Mission

To assist Companies implement the best-in-class Supply Chain/Logistics solutions to minimize costs and maximize customer delight to improve our clients' position worldwide.

Our Values

All REM Associates have significant Supply Chain and Logistics Management experience. All of the Associates have had many years of operational experience, we have been in the trenches, we know operations, and we deliver.

Many of the Associates have been consultants with the "Big 6" firms. However, as network consultants, our overhead and fee structure is significantly lower than the larger firms.
